**ALLEN PRODUCTS U-BRACKET SPEAKER MOUNTS**

These speaker mounting brackets are available in a variety of sizes to fit most popular professional loudspeakers. Made in the USA of solid steel, these U-brackets mount speakers either vertically or horizontally. Once speakers are mounted, they may be rotated and then locked safely into proper position. Each bracket has built-in stiffeners and 16" centered mounting holes for easy mounting to wall studs. Call Full Compass to select the correct bracket for your loudspeaker. Comes in black or white.
