APOLLO PLASTIC AV & VIDEO FURNITURE

Apollo plastic AV and video furniture, manufactured from black-textured, high-density polyethylene, is virtually indestructible. These rugged carts are guaranteed against stains, scratches, dents or rust - and continue to look factory-new even after years of use. They support even the heaviest equipment (Monitors up to 27" & 100lbs max), yet are lightweight for easy mobility. Perfect for schools, industrial or corporate use. These models equipped with UL listed 3-outlet electric assembly, included 15' cord. All plastic carts ship UPS. Easy assembly.

HSA

HSA ROLLTOP AUDIO DESKS

HSA Desks and racks provide a way to house audio & video equipment in style. Handcrafted from premium northern oak faces, with solid oak tambours, they look like expensive furniture (but reasonably priced!), but open the roll top, pull out the hidden lower racks, and you can house virtually anything! HSA desks and racks can be custom-ordered for specific requirements & measurements as well. We handle the complete line of HSA desks and racks, call your sales professional for assistance.

MIDDLE ATLANTIC CABINET FRAME RACKS

These frame racks can be placed inside existing furniture - cabinets, podiums, lecterns, etc. - saving you money and space in the process. All models come with front and rear lacing bars for cable management and rack rails with off-set cable tie areas. Comes in 16" and 18" depths and heights from 8RU to 14RU. Dimensions listed below account for usable area, not overall depth or height. Optional runner kits are available for easy sliding access to rear of racks (increases overall height by 1/4"). Call for additional sizes.
