ETC SELADOR LED LIGHT FIXTURES

Go beyond effects lighting and give your theater effective LED luminaires that can be trusted in every application from key, fill and side light to color washes and cyc lighting. Selador™ Series fixtures perform to your standards for warm and cool white light, soft tints, rich pastels, and intense primary colors, without sacrificing energy efficiency. All use the x7 Color System™— 7 color LEDs providing the broadest color spectrum in any LED fixture Every Selador luminaire is versatile enough to provide a broad range of color and white light, but optimized for a specific lighting task.

PALETTA™

This 2.5W color-mixing fixture is available in 4 different lengths. Uses a medium-power LED with color mix that is balanced for very bright output in the red, orange, pink, magenta, purple, blue, and indigo color families (white light has slightly less brightness). Since it is designed for colored light applications it should be used where only 4 or 5 colors will be used at the maximum level for an extended time period. Great for small and mid-size cycs and stage washes. It also fits in smaller spaces for architectural applications.

LUSTR®

This light is the white light specialist and is available in 4 lengths. It uses the same medium-power LED as Paletta with a color mix that is balanced for high-brightness white and tinted colors. This LED array uses a new Phosphor-Converted Amber LED which provides high brightness and a broader spectral content than regular Amber LEDs. Use this product for key and fill lighting in studios or mid-size theatres. It can also be used with good results on a cyc or in other color applications as well.

VIVID-R

Vivid-R combines high-power Luxeon® Rebel LEDs and high-efficiency lenses for a strong, cutting beam of light and maximum color production. Clear lenses allow a more direct, powerful beam, resulting in longer throws. It provides higher light output than the original Vivid™ fixture while using less power and generating very little heat. The Vivid-R Fire models are dedicated to the warm (red, orange, yellow) spectrums and the Ice models dedicated to the cool (blue) spectrum. Vivid-R models are available in 4 lengths and the Fire/Ice models in 2.

ETC SOURCE FOUR® LED

Combines the size, look, and optics of the Source Four family with the user-interface and high efficiency of the Selador Desire™ line of LED luminaires. With no burnt gels or lamps to replace, Source Four LEDs have the highest lumens per watt of any LED spotlight while retaining a 50,000-hour life. Uses the same shutter barrel, accessories, and lenses as existing Source Four fixtures (Enhanced Definition lens tubes are suggested). Features 60 Luxeon® Rebel LED emitters and comes in daylight, tungsten and lustr+ configurations. Available with the LED light engine only or the light engine with shutter assembly.

AMERICAN DJ MEGA PAR PROFILE SYSTEM

- 11 built-in programs
- Electronic dimming: 0-100%
- All-in-one LED Par system with 4 RGB color mixing LED fixtures
- 4 wash fixtures, stand w/bag, foot controller and system soft case included
- 4-button LED DMX display on rear panel; 3 DMX channel modes
- 6 operation modes: static color, manual dimmer color, built-in programs, auto run, sound active and DMX512 mode.

ITEM	DESCRIPTION	PRICE
MEGA-PAR-PROFILE-SYS	All-in-one LED Par system.....	399.99

AMERICAN DJ MATRIX BEAM LED

- (25) 3W warm white Cree LEDs in a 5x5 panel
- Latch system links multiple fixtures together
- Designed for use as blinder effect or matrix chase effect
- Built-in light chases, create characters in light via DMX
- 3 operation modes: auto (program run), sound active and DMX512 mode
- 4-button LED DMX display on rear panel; 3 DMX channel modes

ITEM	DESCRIPTION	PRICE
MATRIX-BEAM-LED	DMX 5x5 LED panel.....	699.99

AMERICAN DJ P64-LED PLUS LED PAR CAN

- Power Draw: 24W max
- Includes hanging bracket
- Electronic Dimming: 0 - 100%
- LED par can with RGB color mixing
- 4 operation modes: Sound Active, Auto, RGB, and DMX-512 6-channel
- Smooth projection on walls with rich palates of color created by mixing Red, Green and Blue LEDs
- LED Advantages: long life bulbs, low power consumption, low heat
- Great for performance stages where traditional par cans emit heat onto performers
- Smooth color scrolling with color strobe effect

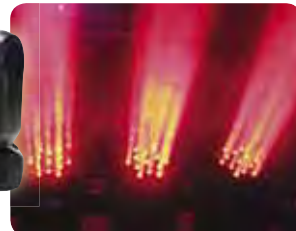

ITEM	DESCRIPTION	PRICE
P64-LED-PLUS	LED par can.....	99.99

AMERICAN DJ INNO COLOR BEAM LED

- 33 color macros
- 13.5° beam angle
- 630° pan and 220° tilt
- 108W LED moving head beam effect with (36) 3W LEDs (8 red, 10 green, 10 blue, 8 white)
- In/out IEC connections to daisy chain power
- 3 operational modes: DMX-512, sound active or master/slave
- LED DMX 4-button menu system; 2 DMX channel modes

ITEM	DESCRIPTION	PRICE
INNO-COLOR-BEAM	Compact moving head LED fixture.....	799.99

AMERICAN DJ MEGABAR 50 RGB RC LED LIGHT FIXTURE

- Beam angle: 40 degrees
- Power draw: 18W max
- 32 built-in color macros
- 22" indoor LED lighting bar with remote control
- Tri color RGB LEDs provide color mixing for stage or wall washing
- 7 Operation modes: Manual Color, Color Change, Color Fade, Auto, Sound active, RGB manual control and DMX-512
- IEC AC input & output to daisy chain power

ITEM	DESCRIPTION	PRICE
MEGA-BAR-50-RGB-RC	Light bar, LED, RGB, with emote control.....	149.99

CHCF12NFRGBA	Color Force™ 12" RGBA Black	1191.68

**DARKLIGHT PRECISION
DMX MICRO RGB FLOOD**

- IP65 rating
- 7-channel DMX control
- 25° lens angle, 50,000hr lamp life
- DMX address and configuration stored in EEPROM
- World's smallest DMX512 controllable theatrical floodlight
- Full color control via DMX512; DarkBox Programmer (sold separately) required to change DMX from default address 1
- Built-in functions: flicker, strobe, blink, fade, color change, master dimming, color macro

NEW!

PRECISION-DMX COMPACT SIZE

ITEM	DESCRIPTION	PRICE
PRECISION-DMX	Miniature DMX RGB flood	85.00
DARKBOX-PROGRAMMER	DMX addressing tool	85.00

**DARKLIGHT
PRECISION Z HIGH POWER
MICRO SPOT OR FLOOD**

- Dual polarity input
- IP68 rating, submersible to 3ft
- 2-wire dimming using PWM input (10%-100%)
- Equivalent to traditional 20W halogen fixtures
- 95% energy savings compared to 20W halogen lamp
- Lens angle is 15° for spot and 120° for flood, 50,000hr lamp life
- Spot is available in red, green, blue, amber, cool white, warm white and ultraviolet

**DARKLIGHT GANTOM IQ
MICRO IMAGE PROJECTOR**

- IP65 rating
- Dual-polarity input
- Smallest gobo projector on the market
- Zoom- and focus-adjustable w/sliding lenses
- 2-wire dimming using PWM input (10%-100%)
- Supports full-color, user-made 3/4" patterns
- 25°-40° lens angle, 50,000hr lamp life

NEW!

ITEM	DESCRIPTION	PRICE
GANTOM-IQ	Miniature gobo projector	204.00

**DARKLIGHT
GANTOM DMX
MICRO FLOOD**

- IP65 rating
- Flicker-free and video-ready
- 20° lens angle, 50,000hr lamp life
- Integrates into any existing DMX universe
- DMX address and configuration stored in EEPROM
- Available in RGBW (4-channel) or dynamic white (2-channel)
- Quad-chip LED and matching optics for homogenous color output

NEW!

GANTOM-DMX COMPACT SIZE

ITEM	DESCRIPTION	PRICE
GANTOM-DMX	Miniature DMX flood	153.00

**DARKLIGHT
DARKBOX
CONTROLLERS**

Compact and versatile controllers. The Flicker and DMX Micro versions offer simple operation, LED indicators, can drive multiple fixtures in sync and make any 12V LED flicker, strobe, blink, surge, pulsate, or dim. The Flicker can also generate patterns and the DMX Micro has fully-tunable speed and brightness for any mode. The Programmer is compatible with all DMX devices and functions as a DMX addresser and configurator. It even has a built-in 224-channel single scene output and DMX controller for use with static effects.

ELATION EPAR QA LED PAR CAN

- (14) 5W Quad RGBA LEDs
- 10° standard beam angle
- Dual-yoke floor stand
- No colored shadows
- Flicker-free operation
- Long life 50,000hr LEDs
- 0-100% electronic dimming
- 4-digit LED display
- 1/2/3/4/6/7 DMX channel operation mode

ITEM	DESCRIPTION	PRICE
EPAR-QA	LED par can	449.99

ELATION PLATINUM SPOT LED LIGHT FIXTURE

- 16° beam angle
- Pan/Tilt: 540/630 x 265
- Motorized Iris and Focus
- Variable speed shutter/strobe
- 16 Channels of DMX (3-pin and 5-pin connections)
- 240W max power consumption / 120V-240V power supply
- LED lamp source with comparable output to 250 discharge
- 8 Dichroic colors, 14 gobos, 7 rotating/indexing replaceable gobos, 7 replaceable static gobos, 3 facet 3D rotating/indexing prisms, frost filter.

ITEM	DESCRIPTION	PRICE
PLATINUM-SPOT-LED	LED light fixture, DMX, 240W	2199.99

ELATION PRO LIGHTING ARENA PAR LED WASH

- 90 x 3W LEDs
- 4-digit LED display
- On-board control
- 15° standard beam angle
- 7-channel mode macros
- 0-100% electronic dimming
- 3 DMX control modes: 4, 5, 7

ARENA-PAR	RGBW LED par can, 90x 3W LEDs	1199.99

ELATION DESIGN WASH LED 60 LED WASH HEAD FIXTURE

- 630° Pan/540° Tilt in 16-bit mode
- 28° beam angle (15° lens)
- Very fast movement
- Dimmer: 0-100%, strobe: 25 FPS
- Flicker-free LCD display
- 220W power consumption, 1.9 Amps
- 13 DMX channels in 16-bit resolution
- 3-pin and 5-pin DMX connectors
- Master/slave and stand alone operation
- Dimensions 16.5"L x 12.5"W x 19"H, Weighs 16.75 lbs.

ITEM	DESCRIPTION	PRICE
DESIGN-WASH-LED-60	LED wash head	1196.93

ELATION LEVEL Q7 LED FLAT PAR FIXTURE

NEW!

- (7) 15W RGBW OSRAM Quad LEDs
- 14,700 lux @ 2.5m
- 3- and 5-pin DMX
- Neutrik® PowerCon in/out
- High-output and professional grade
- Weighs 10lbs

ITEM	DESCRIPTION	PRICE
LEVEL-Q7	Quad LED par fixture	999.99

ELATION FLEX PIXEL WP LED PIXEL TAPE

- Flex Pixel IR allows for standalone control
- 10' flexible LED pixel tape with waterproof cover
- Mountable to any surface with optional Flex IP Clip Kit
- 15mmW x 5mmH x 3mtrL (not including in/out cables)
- Flex Pixel 5VPSU power supply required for each section of tape
- Flex Pixel Driver offers up to 2 tapes and up to 432 DMX channels of control
- (72) RGB SMD tri color LED pixels (216 ch.) per tape spaced on 40mm centers

ITEM	DESCRIPTION	PRICE
FLEX-PIXEL-WP	LED pixel tape, power supply not included	149.99
FLEX-IP-CLIP-KIT	Mounting clip to mount to any surface	6.68
FLEX-PIXEL-DRIVER	DMX driver	74.99

ROSCO

ROSCO MIRO CUBE™ FAMILY

These 48W LED wash lights put more than 3000 lumens into a compact and portable 4" cube. The rugged, geometric design is perfect for museums, track-light systems, in stores and lobbies or built into sets, truss and lighting rigs.

- Bolted yoke design allows units to be easily ganged
- Flicker-free dimming through DMX (8- or 16-bit resolution)
- Plugs directly into wall anywhere in the world, adjusting automatically to 90-240VAC 50-60Hz
- More than 40 units can be powered from a single 20A circuit LCD control panel
- Full color mixing, tunable white, or black light versions (in black or white finish)

ITEM	DESCRIPTION	PRICE
MIROCUBE-4C	Color-mixing LED wash	820.31
MIROCUBE-WNC	Tunable white LED wash	820.31
MIROCUBE-UV	Blacklight LED wash	1257.81
MIROCUBE-RGBW	RGBW LED wash	726.56
