NI NATIVE INSTRUMENTS

SUPPORTS:

NATIVE INSTRUMENTS MASCHINE

MASCHINE STUDIO, MASCHINE and MACHINE MIKRO are the ultimate integrated hardware/software systems for beatmaking and professional music production. Much more than a drum machine, they're groundbreaking instruments that combine a pattern-based sequencer, professional sampler, effects and an incredible sound library – united in a smooth intuitive workflow. Available in a choice of black or white, all models include sensitive multicolored pads and push encoders while STUDIO adds a jog wheel for even more control. New software offers color-coding, new effects and more, plus the legendary synthesizer Massive. MASCHINE STUDIO offers (2) 480x272 color displays, 58 buttons, including dedicated edit buttons, 1x3 MIDI interface and footswitch support, as well as a built-in collapsible stand and power adapter. Personalize your setup with Maschine Custom Kits or check out the Maschine Stand for the perfect viewing angle.
