

The Spectra Cyc is a 200 Watt cyclorama wall wash luminaire utilizing red, green, blue and amber LED emitters. Designed for theatrical and architectural applications, the Spectra Cyc blends colors via a patented LED lens and reflector combination which reduces pixilation from direct view. The on board power supply allows for direct power & data input which can be daisy chained thru 8 units. Designed for use on 8'-10' centers maximum, individual units can be linked side by side for greater saturation of light. The Spectra Cyc is compatible with both DMX and RDM protocols, and comes complete with a library of pre-programmed single colors to various color mixes. Units are made for floor or Sky-Cyc applications.

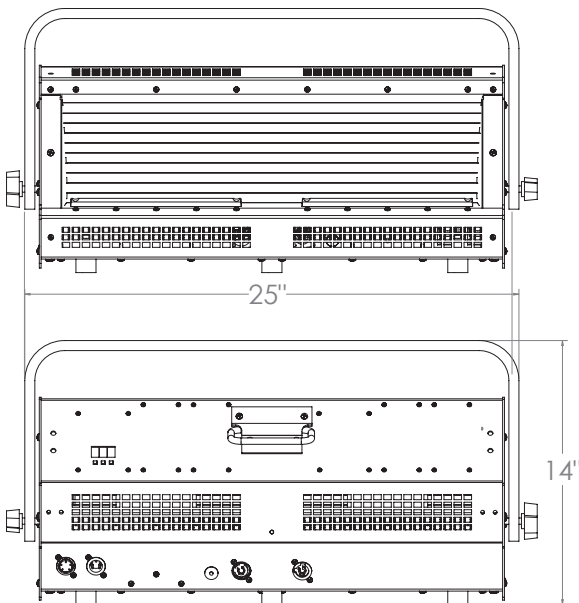

200 WATT
SPECTRA CYC 200
Features

- 2 LED emitters using Luxeon Rebel LEDs producing a maximum 2680 Lumens
- Available in RGBA, RGBW, 3,000K White and 3,000K-6,000K Tunable White[†]
- LED Blending Lens
- Asymmetrical reflector
- Feed through power capability
- Compatible with DMX and RDM protocols with data feed through capability
- Laser cut sheet aluminum housing
- Push button DMX addressing
- On-board multi voltage power supply 100-240VAC
- Integrated carrying handle
- Approx weight: 18 lbs.

Shown with optional yoke

Model Number	
SSCYC200-*.**	Spectra Cyc 200W Luminaire with power and data passthroughs
* (LED Array)	Add the following code for the LED Array: RGBA, RGBW, 3K, or 3K6K [†]
** (Body Color)	Add the following code for housing Color: B=Black, W=White, S=Silver

Specifications:

Maximum Output: 2680 Lumens

Vertical Spread: 40°

Horizontal Spread: 80°

Materials: Construction employs all corrosion-resistant materials and hardware.

Housing: Lightweight aluminum fabrication.

Light Engine: Luxeon Rebel LED's: 200 Watts Max at full RGBA

Reflector: Proprietary curve, specular aluminum

Rating: Multi-Voltage; 100-240 volt AC operation

Data Ports: 1 Male & 1 Female flush mount 5-Pin XLR

Power Cable: 5' total length powerCON in and standard connector.

AC Out: Flush mount powerCON for feed thru power to other Spectra Cyc units only. Max 20 Spectra Cyc's per power daisy chain

Finish: Black, White or Silver TGIC polyester, electrostatic application.
Custom colors available

Weight: Approx. 18 lbs. (4.99 kg)

Note: C-Clamp is not included with the fixture and must be ordered in addition.

Additional Accessories	
SSCYC200-YOKE-**	Yoke kit (Includes C-clamp)
510	Malleable Iron Pipe Clamp
SS-CYC-LINK-**	Spectra Cyc Link Plates with Hardware
SC-36-BK	36" Black Safety Cable with Spring Clamp
99-DMX-TERM	In Line 5 Pin DMX Terminator
FT	Floor Trunnions
