MixPre Series

go get creative.

SOUND DEVICES

MixPre-10T

MULTICHANNEL RECORDER | MIXER | USB INTERFACE WITH TIMECODE

The MixPre-10T is an audio recorder that offers professional-grade sound quality in a ultra-compact, portable chassis that's built for harsh elements and demanding on-the-go productions. With its built-in, highly accurate timecode generator/reader, it can hold timecode for hours after it's powered off. It can also auto-detect incoming frame rates from an external TC source. The MixPre-10T is a perfect fit for any sound designer or field recordist's gear bag.

- 10 Inputs / 12 Tracks
- Record Broadcast .WAV files to SD
- Built-in, Ultra-accurate TC Generator/Reader

- 8 Ultra-low-noise Kashmir Mic Preamps
- Ergonomic Controls & Intuitive Touch-screen Operation
- Flexible Powering for Ultimate Portability

*Sold Separately*

AUTO COPY

The MixPre-10T and 10M auto copy feature is as easy as ABC - or what we like to call "Auto-Background Copying". With this feature, users can record files up to 192kHz/24-bit to an SD card, while automatically copying to a USB thumbdrive (USB A) for handoff to a client or as a backup copy.

WINGMAN WIRELESS CONNECTION

Each MixPre features integrated Bluetooth Smart® for easy wireless connection, control and metering via the free Sound Devices Wingman app on iOS and Android devices. Via Wingman, the MixPre-10T even lets users manage and create sound reports.

WINGMAN™

MixPre-10M

MULTITRACK RECORDER | MIXER | USB INTERFACE WITH OVERDUB

The MixPre-10M combines the ease of dedicated hardware recording with the essence of computer-based music production software into an all-in-one recorder and USB audio interface. Ideal for song creation or live performances. Musicians and songwriters now have an easy to use, portable device for capturing songs and ideas anywhere and anytime inspiration grabs them.

- 10 inputs / 12 tracks
- Record multilayered .WAV files to SD
- 12-in/4-out USB Audio Interface

- 8 Ultra-low-noise Kashmir Mic Preamps
- Intuitive Touch-screen Operation
- Flexible Powering for Ultimate Portability
