

KOMPLETE AUDIO 2

Made for easy stereo recording, the KOMPLETE AUDIO 2 is perfect for musicians, beat makers, or performers who want to capture ideas, produce, or play out with high-quality audio. Two combi-XLR/jack inputs make it easy to capture stereo sounds, bring in outboard gear like synths, and more. It also comes with all the software needed to bring ideas to life, including MASCHINE Essentials, Ableton Live Lite, MONARK, and top NI effects for polishing recordings.
