DUKANE

Camera 150

LED Lights in Head and Neck

Folds Down Flat

LED Lighting

Rotating Head for Angle Viewing

Compact Solid Base

The **Camera 150** is a desktop document camera with a USB connection. The Camera 150 from Dukane brings a whole new flexibility to the classroom or workplace. This digital articulating arm camera uses auto focusing to image documents and 3D objects in amazing clarity. By connecting the Camera to a computer, the images are visible on the PC or laptop screen. These images can also be output to larger displays or projectors. The camera contains an 8 Megapixel CMOS sensor chip assuring today's high-resolution imaging (3264 x 2448 max.). In addition, there is a 5X digital zoom. Operation is by a single USB cable that transports the image, plus provides the power for the LED illumination of the image area. Closeup imaging at only 3 inches is possible. With the articulating arm it is possible to bring the camera head to the desired position and the built-in LEDs have 3 levels for the optimum exposure. The included camera software permits image rotation and adjustment, plus annotation on the image. Still image or video image capture is possible for easy creation of computer files. The camera head also contains a mic for an audio track. Fold down construction makes the camera very portable, and easy to store.

Features

- High 8 Megapixel resolution
- Built in LED illumination
- Single USB cable for operation
- Built in microphone
- 5x digital zoom
- Closeup 3 inch imaging
- Autofocusing
- Articulating arm .
- Image capture with video/audio recording
- Annotation software
- Compact fold down for storage

Camera150

Camera	
Optical head	¼" CMOS Si chip
Resolution	8 megapixels
Formats	3264x2448, 2592x1994, 1920x1080, 1080p,1280x960, 1280x720
Video frame rate	30fps max
	15 fps for 1920x1080
Zoom capacity	5 x digital
Minimum camera distance	2.5 "
Operation	Autofocus , auto exposure, auto white balance
Capture area	16" x 11.8"
Lighting	
LEDs on the arm	1 on head and 10 on arm
Controls, light	Button on base for 3 levels and off
Input / Output	
Port	USB 2.0 high speed, video and audio, mini USB 2.0 TWAIN for Windows
Audio	Built in mic
Image	
Control	Software program on PC
Rotation	90, 180, 270
Brightness	Range or auto
Contrast	Range or auto
White level	Range or auto
Saturation	Range
Settings	Black / white
Multiple	Split screen/color/negative
Video	Capture modes
Annotation	
Graphics software	Menu with colors , shapes, lines, text, font size , etc.
Operations	Capture still and video. playback

Operating System	
For software w camera	Windows XP, Vista, 7/8/10
Chromebook, Chrome OS	Works with Chromebook Apps
Power	
Supply	USB 2.0 cable
Power level	5 Watt
Standby mode	>0.2 W
Physical	
Arm articulation	5 rotation joints
Operating size	5.5" x 20" x 4"
Folded size	5.5" x 12.7" x 3.1"
Shipping carton	4.0" x 7.5" x 14"
Weight	2.1 lb.
Ship weight	3.5 lb.
Operating Temp.	-10 to 50C
Other Items	
Standards	FCC EMI , CE
UPC	605194007127
Model number	150
Warranty	1 Year standard
Accessories included with Cameras	
	USB 2.0 cable, CD, and User manual
