

AND-BTN-KIT-1

AND Button Kit

Overview

Enable two-way communication with the push of a button by connecting the AND Button Kit (AND-BTN-KIT-1) to a compatible IP device.

When connected to a compatible IP device, the AND-BTN-KIT-1 easily integrates with VoIP phone systems, approved 3rd party software, and includes ClockWise Campus software with purchase.

Description

AUDIO FUNCTIONALITY

Intercom, page, or all-call. Trigger pre-programmed text, or privacy mode.

DUAL COMMANDS

Programmable button modes push/release or push/hold accommodate up to two extensions or phone numbers.

SIP INTEGRATION

Enable SIP calls. Dial out pre-programmed internal extensions and external phone numbers.

NOTIFICATION

Trigger alerts that activate other devices, such as a strobe or electronic lock.

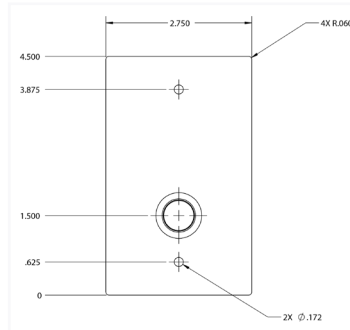

SOFTWARE

ClockWise Campus software included. Compatible with approved third-party software.
