**PORTA BRACE RAIN SLICKER CAMERA CASES** The Mini-DV versions have flaps, vinyl windows and zippered openings for optimum ease of operation. Cameras with fold-out video screens are shrouded with a black fabric hood that makes viewing easier on bright sunny days. The broadcast camera models have an expandable back end for various batteries and wireless receivers, a spare pocket for lens cap storage, a wider clear vinyl window on the operator side, an extra no slip pad and a limited hook & loop closure at the base instead of a long zipper. A zipper at the view finder area makes installation easier; accommodating 1 1/2" to 2" eye piece view finders.

**SKB STANDARD 19" ATA RACK CASES**

Lightweight, yet strong, the SKB 19" racks are made of military-grade ultra-high molecular-weight polyethylene material. They are stackable and less than half the weight of wooden racks. The draw-tight latch front and rear covers are gasket-sealed to keep out moisture and dirt. With the front cover removed, the 19" mounting flange is close to the edge, which makes it extremely easy to visually read the dials and LCD screens on the front of your equipment.
